I would like to thank the Deputy Wardens, the weather, and the Townspeople for their cooperation in giving us all the best year ever.

Respectfully submitted,

DANIEL STEWART  
Warden  
(Phone 5605)

The year 1969 has been a good year for your Fire Department. Although records are not complete, I am sure this must be one of the lowest years for fire losses for the Town of Atkinson. I also suspect that we must have set some kind of a record, in that, we did not have a single grass or woods fire call for the entire fall season. Congratulations are in order to you the Citizen and to our Forest Fire Warden. Please read the Report of our Forest Fire Warden, as it can contribute to the continuation of this record.

The grading of our Training Area has been completed and Mercury Arc Lights were purchased and installed with monies earned from the various Fire Association functions. Our thanks go to you the Citizens for your support of our Turkey Raffles, Dances and other functions. The Training Area will be a continuing project and will take form as time and funds allow.

We have installed Dry Hydrants at Blunts Pond on Maple Avenue and at the Trinity House Camp Pond on lower Main Street. These Hydrants are part of a continuing project to provide year-round water sources throughout the Town of Atkinson. Among our equipment purchases this year, we included large diameter supply hose. This hose will substantially improve our ability to supply increased amounts of water to the fire scene.

Our Inspection Bureau has been active and has cooperated with the Fire Marshall's Office to inspect the schools. Stickers listing Fire and Police telephone numbers have been distributed throughout the town. Additional stickers are available at the Post Office. Stickers which identify the presence of an invalid person in the home have been distributed where requested. If you have an invalid in your home, we urge you to contact our Inspection Officer, Donald Nye.

Our thanks go to the women who tirelessly operate the red network fire phones. To these women fall the responsibility to sound the alarm and call the men. However, they must also rush to the phone several times a week for calls that are neither fire nor emergency related. PLEASE, I urge you, direct your calls for information, etc. to one of the town officials or any of the fire department officers.

Our Junior Fire Department has been reorganized this year with many fine new members. Our Daytime Call Department has also been bolstered with new members.

In closing, I wish to publicly extend my sincere thanks to the officers and men of the Fire Department, the Junior Fire Department and the Call Department, to the Red Network and Radio Operators and to

the Women's Auxiliary, to all those who so willingly volunteer their time and efforts. I also wish to extend the thanks of the Department to the Citizens who have generously supported our efforts.

# REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

## Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

## Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

## Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

## REPORT OF THE POLICE DEPARTMENT

As Chief of the Atkinson Police Department, it is my pleasure to submit my annual report for the year 1969.

The year 1969 was a very active one for the personnel of the department, having been called upon at all hours of the day and night, to handle the "Family Disturbance" to "Violent Death on the Highway," along with other types of calls.

Each and every year our police problems increase and we are asked what can we do about it. Well, I would like to try and explain just why we have these problems and what we, the Police Department, can see for the only solution to this situation. Atkinson, like Plaistow and Salem, have the distinction of being classified as "Border Towns." Being such towns, we have a tremendous amount of motor vehicle traffic going through our town, either to or from another location. While this traffic is passing through our town, all sorts of violations are taking place, from Littering to Speeding. The town of Salem, being larger than our town and Plaistow, has a full-time police force. We do not. And as a result of the lack of full police, our towns catch all sorts of things. Stolen cars are brought here to be either dumped off after they have been used for whatever purpose they were stolen for, or they are out of gas, stripped and burned, etc. Residents' cars are stolen and cars are speeding in and around town, leaving those odd tire marks on the roadway. All in all, this is brought about because the "Fun Seekers," "Petty Thieves," and what have you, know that Atkinson does not have full-time police on duty, and they can do their thing before the Police know it has happened.

The only solution to this problem is; Appoint full-time police officers and supply the police department with a police cruiser. With the utilization of the police cruiser and the entire force on hand, each and every day and night, a police officer would be seen by all cruising through town and within a very short span of time, I feel our crime rate within town will decrease sharply. I do not think it will end entirely all of our problems, but I feel it is a step in the right direction.

During the year of 1969, the men of this department expended the following man hours on the categories listed below:

Town Road Patrol	1,200
Complaints	250
Special Assignments	165
House Breaks	185
Automobile Accidents	150
Fire Calls	25

A total of one hundred and eleven summonses were issued and processed in the Plaistow Court District during 1969.

In October 1969, two additional police officers were appointed to the department, these 2 officers are: Peter Howatt and Philip Consentino.

I would like to take this opportunity to thank each and every resident who is taking advantage of the department's "Crime Alert." We have been called by the alert resident and in many cases prevented the happening of some sort of crime. I cannot stress this point strongly enough. If you see something strange happening in your area, street, neighborhood, an unfamiliar car parked in the street or neighbor's driveway while they are away or not home, call the Police Department. The phone number is 5536 - give your name, address and nature of your phone call, speak slowly and clearly and within minutes an officer will be on the scene.

In conclusion, once again I wish to thank the many residents for their continued cooperation throughout the year of 1969, for providing various activities and entertainment, especially around Halloween time for the younger generation. This has helped to reduce malicious mischief and vandalism here in town.

Last but not least, I wish to thank each and every member of the department for the splendid work they have rendered during the year 1969.

Respectfully submitted,

WILBUR R. MOODY  
Chief of Police

## REPORT OF THE HIGHWAY DEPARTMENT

Over the past year Atkinson, N. H. again has been made a better place to live because of work done.

During the winter months the never ending plowing, salting and patching to make your travel safer has been done.

Spring and fall work consisted of patching, mowing and spraying for brush control along the roads. Eight of the large diseased trees on Maple Ave. and Meditation Lane were cut. Also, trees were cut on the corner of Conley's Grove.

All culverts were cleaned and one repaired on Maple Ave. near the brook, and on Providence Hill Road culverts were reset. Two new catch basins were installed on Juniper Lane and Conley's Grove.

Due to the labor strike with the oil company that supplies road oil, it looked like we were not going to get the roads oiled. When the oil did arrive, time was not a-wastin' and we went to work. Grange Hall Yard, Newbury Drive, Upper Maple Ave., Leroy Ave., Stage Road, New Cemetery Driveway, Providence Hill Road, Sleepy Hollow Road, Forest St., Juniper Lane, Meadow Lane, Wood Drive, Conley's Grove and Hog Hill were all done.

I want to thank the townspeople for their cooperation in the past year and hope to be with you again this coming year.

Respectfully submitted,

WALTER J. WEEKS  
Road Agent

## HARRY B. TUTTLE

Retired Tax Collector, Mr. Harry B. Tuttle was born on Maple Avenue October 23, 1888, the only son of Fred and Mary Ella (Steele) Tuttle, in the same house in which he so nearly lost his life in a night fire May 17, 1946. Since then he has lived in two new houses within a stone's throw.

Mr. Tuttle attended the local grammar school and in 1907 was graduated from Atkinson Academy. In 1912, he was graduated as a student of Horticulture, from the University of New Hampshire.

He married the former Charlotte L. Rowland of East Corinth, Vermont, November 1, 1914. He returned to Atkinson and taught in Atkinson Academy from 1915 to 1918.

At an early age, he joined the Grange and held many offices in the order. Several years ago, he too, was honored with his 60 year pin.

He is a charter member of The Atkinson Historical Society and has been its treasurer since its founding.

Due to ill health, Mr. Tuttle found it necessary to leave in the 49th year of his office, August 1969.

As a younger man, he served the town a three-year term on the school board, and as a town health officer. He was Civil Defense director in 1941 and 1942. He also served as Representative to the General Court, and as school and town moderators.

Mr. Tuttle has a marvelous sense of humor, he is an ardent reader and fisherman. For many years, he had a market garden. In recent years, he has been a part Clerk at Rockingham Park, where he enjoyed meeting and talking with folks from all over the country.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Atkinson, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Atkinson Town Hall (Grange Hall) in said Atkinson on Tuesday, the 10th day of March next at ten o'clock in the forenoon, and close not earlier than seven o'clock in the evening to act upon the following subjects:

1. To choose all necessary Town Officers for the coming year.

(Submitted by the Atkinson Housing and Redevelopment Authority)

4. To see if the Town will vote to raise and appropriate the sum of forty-five thousand dollars (\$45,000.00) to implement the exercise of those rights and powers of cooperation with and assistance to the Town of Atkinson Housing and Redevelopment Authority, as conferred by N. H. R. S. A. c. 203 and c. 205, by means of agreements for the purpose of constructing a water hole, pumping station, drainage ditches and necessary water lines within the Project Area, No. 6, and to raise the same by the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act, Chapter 33 of the R. S. A. as amended; to authorize the Selectmen to so issue and negotiate said bonds or notes in the name of and on the credit of the Town, said Selectmen to have the discretionary powers described in Section 8 of said Chapter 33 in respect to said notes or bonds.

(Submitted by the Atkinson Housing and Redevelopment Authority)

5. To see if the Town will vote to raise and appropriate a sum not exceeding twenty-eight thousand dollars (\$28,000.00) for the purpose of constructing the following Class V roads within the Town; Governor Wentworth Drive and Colonel Atkinson Drive, such sums to be raised through issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, as amended, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town of Atkinson.

(Submitted by the Atkinson Housing and Redevelopment Authority)

6. To see if the Town will vote to raise and appropriate the sum of one thousand nine hundred and twenty dollars (\$1,920.00) to purchase three new Police radios to comply with Federal Communication Commission Regulations.

(Submitted by Police Dept.)

7. To see if the Town will vote to request that an appraisal of all of the taxable real estate be made by the Tax Commission and to raise and appropriate the sum of ten thousand dollars (\$10,000.00) therefor.

(Submitted by the Selectmen)

8. To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (\$8,000.00) to purchase the Carl Wilson land and buildings abutting the Town Hall property.

(Submitted by the Selectmen)

9. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to build an Interrogation Room and a Meeting Room for the Police Department to be an addition to the Selectmen's Office.  
(Submitted by the Police Dept.)

10. To see if the Town will vote to establish an annual salary of five hundred dollars (\$500.00) for the Office of Treasurer.  
(Submitted by the Selectmen)

11. To see if the Town will vote to establish an annual salary of one thousand dollars (\$1,000.00) for the Selectmen's Clerk.  
(Submitted by the Selectmen)

12. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) to install a hydrant on Academy Avenue. (Submitted by the Fire Dept.)

13. To see if the Town will vote to change the term of the Town Treasurer from one year to three years, beginning with the term of the Town Treasurer to be elected at the regular 1971 Town Meeting.  
(Submitted by the Selectmen)

14. To see if the Town will vote to change the term of the Tax Collector from one year to three years, beginning with the term of the Tax Collector to be elected at the regular 1972 Town Meeting.  
(Submitted by the Selectmen)

15. To see if the Town will vote to change the term of the Town Clerk from one year to three years, beginning with the term of the Town Clerk to be elected at the regular 1973 Town Meeting.  
(Submitted by the Selectmen)

16. To see if the Town will vote to transfer the sum of three thousand dollars (\$3,000.00) from unencumbered surplus funds remaining at the end of the fiscal year 1969, to the Capital Reserve Fund established in 1966, for the purpose of acquiring a fire pumper.  
(Submitted by the Fire Dept.)

17. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

18. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the Town will need in anticipation of taxes.

19. To hear the reports of the Town Officers and Committees, act on the same and transact any other business that may legally come before the meeting.

Given under our hands and seal, this sixteenth day in February in the year of our Lord nineteen hundred and seventy.

## REPORT OF KIMBALL PUBLIC LIBRARY

In September, at the close of our summer hours, the trustees had to make a decision vital to everyone. Should the hours lengthen or should they remain as in previous years?

Last year (during the winter season), we experimented with the help of members from the Woman's Club to provide extended hours. We did not feel after weeks of this added service, to have accomplished what we set out to do - increase the circulation to a greater extent. Therefore, we decided to keep to the original hours.

Early in July, a book sale was conducted by the Woman's Club and the proceeds given for the purchase of books.

The outdoor receptacle purchased and donated by the Home Economics Extension group has given good service this year.

The bookmobile is coming and leaving a good supply of books. The library has had some renovating done. More shelves have been added, a new bookcase made, walls and ceiling refinished, new drapes ordered and new lights considered. The kitchen has been insulated and the bulkhead rebuilt. For the last few years, we have been fortunate to buy our books through the "cooperative buying" plan. However, this year it has been discontinued. In August, we received word from the Federal Government that the state of New Hampshire had been cut \$250,000. This, in turn, meant that many of the programs set out by the state department had to be curbed. To do "cooperative buying" for the entire state required a sizeable staff. Consequently, each town has to do their own purchasing, cataloging, etc.

For the past few years, our book money was deposited with the state treasurer and bills paid as needed. When our "cooperative buying" came to an end our balance was returned to our own library treasurer. This sum being larger than we anticipated results in a reserve, which will be used for the purchase of books before March 10.

An open house was held at the library for the teachers of the Atkinson Academy to enable them to preview the materials we have available for children.

Mrs. Dyke has attended various library meetings throughout the southern part of New Hampshire and has reported the results of these meetings to the Board of Trustees.

We have received a gift of R. C. A. records and they are ready for circulation.

We have met with all state requirements for a library our size, and have received a \$100.00 gift for the purchase of reference books. Several people have contributed magazines that we do not subscribe to. I wish to thank the Trustees and Muriel Hirsch for all their help this year.

## **REPORT OF THE PLANNING BOARD**

Your Planning Board has met monthly over the span of the past year and, we hope, have solved many problems of development of the town in an orderly fashion.

A number of new houses have been built. A few subdivisions have been approved in a manner which we believe will upgrade the values of the town and attract more out-of-state residencies. Actually land, whether for commercial, industrial or residential use is the town's biggest commodity.

The Board is making every effort to keep the town as attractive and as pleasant as possible with shopping and industrial areas just minutes away.

Respectfully submitted,

MAURICE COLLINS, Chairman

HERBERT Q. HORNE, M.D., Secretary

## **REPORT OF THE HEALTH OFFICER**

During the past year, the Town of Atkinson has continued to enjoy a healthy and relative pollen-free climate. There have been no epidemics of infections nor more than the usual amount of serious accidents.

Our sanitary disposal seems, for the most part, to function well and with future development should continue to do so. Our State has enacted new laws restricting the building of disposal systems within a thousand feet of wet areas. This should prevent further pollution of our lakes and streams.

The disposal of wastes pumped from septic tanks is at present under control, but it will not be long before we may have to find a disposal area in our own town.

Also, with new regulations being made to prevent pollution of the air, it is probable that other systems of rubbish disposal will have to be found, either within the town or in conjunction with our neighboring towns.

It has been a pleasure to be your Health Officer for the past ten to twelve years, and I look forward to continued service to your town.

Respectfully submitted,

HERBERT Q. HORNE, M.D.

Health Officer

## REPORT OF THE BUILDING INSPECTOR

There were 49 permits issued during 1969. The breakdown is as follows:

	<u>Builders Estimated Cost</u>
19 New Homes	\$382,000.00
1 Apartment House	30,000.00
3 Swimming Pools	2,500.00
25 Addition & Alterations	71,100.00
1 Demolition	--
49 TOTAL	<u>\$485,600.00</u>

### COMPARISON OF PREVIOUS YEARS

<u>No. Permits Issued</u>	<u>Year</u>	<u>Total Estimated Value</u>
50	1965	\$392,683.94
48	1966	463,550.00
42	1967	342,500.00
31	1968	185,400.00

The quality of building is still on the increase in Atkinson. A trend which we hope will continue.

A change in permit fees has been requested because the existing rate of \$10 is not adequate to cover existing changes. There are no provisions for alterations, industry or larger more complex buildings which could come along. This would, of course, require more involved inspections, plus consulting inspectors.

This department is self-supporting with permit fees, plus a percentage goes into town treasury.

Respectfully submitted,

ROBERT H. BAILEY  
Building Inspector

## REPORT OF THE BOARD OF ADJUSTMENT

During 1969, the Board was asked to consider appeals of the following:

1. An under-size lot
2. An addition to a building
3. A sub-division of a lot of record

Decisions were rendered in each case and the interested parties were notified.

C. CARROLL ROCK  
Chairman

## ATKINSON RECREATION AND CONSERVATION COMMISSION

This year, the Commission had the junior baseball field, located at the rear of Academy School, graded and the diamond marked and cut out. Treated fence posts were set up and a campaign for advertising space on the fence will be initiated in the spring.

Approximately 200 youngsters participated in various activities, including bowling, basketball, Minor League and Little League baseball and Junior League football. This year, the basketball program was expanded to include fourth grade boys.

Due to conflict of meetings, the number of children participating in bowling dropped considerably. Perhaps a more suitable day can be found for this activity next year.

A program to show suitable children's movies during school vacations was initiated last spring and carried on during the summer months by the P. T. A. for its playground equipment fund. We are hopeful of establishing a children's theater group and adult clubs of various interests this year. A six-week playground recreation program for children is planned for summer.

The Sawyer Pond ice skating rink, initiated last season, has been enjoyed by young and old alike this year in increasing numbers and the floodlight encourages nighttime skating. Plans are being made by the Commission for similar areas. Our Atkinson Day dance was held, attended by 240 adults, and a good time was had by all.

With the establishment of the Atkinson Recreation Planning and Development Fund, the outlook in this area is more encouraging. After investigating swimming possibilities in the Island Pond area, the commission found that it would be too costly a project to accommodate a minimum of residents. However, we are looking into the swimming possibilities in the Pope Road Recreation Area. The State Water Control Board has been contacted by the commission for an opinion in this matter. Should their findings be negative, an alternate plan will be considered to provide fishing for children under sixteen years of age.

We wish to thank all those who assisted with our programs during the past year, and a special thanks to the Fire Department for keeping the ice skating rink resurfaced.

## REPORT OF HOUSING AND REDEVELOPMENT AUTHORITY

Five men were appointed to the Authority in April, 1969.

Numerous meetings were held in an attempt to crystallize plans for area six. The following action was taken:

1. An option was taken on the Sawyer property in area 6.
2. A perimeter survey was made.
3. The area was divided into five acre lots by the surveyor.
4. Roads were suggested by the State Secondary Road Engineer.
5. Estimates were made for the construction of the roads.
6. Final plans for a water reservoir were drawn up by the U. S. Conservation Department for

use of pumping equipment.

7. Permission for altering the stream bed was obtained from the State.
8. Estimates were made and bids acquired for installation of pumping equipment.
9. Proposed pumping installation has been approved by the State.
10. Arrangements for telephone facilities have been studied and approved.
11. Arrangements for electrical services have been studied and approved.
12. All plans have been filed with the State Industrial Commission.

The Authority had four prospects during 1969, one having dropped plans for building entirely. The other three are awaiting some relief in the borrowing of money at a high rate of interest.

Funds are still required to proceed with the project, and the Authority is re-submitting the warrants anticipating the purchase of some of the industrial land.

# ATKINSON GARDEN CLUB

## Theme

As Garden Club members, to work for the greater beauty and happiness of mankind through the preservation of nature's wonders.

Vice President Mrs. Leslie J. Ewing

The President and Vice President of the Atkinson Garden Club and several members attended the Annual Meeting of the New Hampshire Federation of Garden Clubs. Mrs. Leslie J. Ewing received an award for our Yearbook. Mrs. Peter Nemits and Mrs. Charles Belmer received an award for our Scrapbook. Mrs. Edward J. Noonan was appointed Membership Chairman for the New Hampshire Federation of Garden Clubs.

Our Civic Beautification Chairman Mrs. James Carr entered the Sears Beautification Contest. We enlarged our Garden at the Dow Common as our project. A pump was donated to the town by Mr. Albert Habif. A copy of the original wooden pump was made by Dr. Clarence Birdsall. We are now able to water our new plants and shrubs.

The New Hampshire Federation of Garden Clubs had designated the month of May as "Plant a Lilac Time." We combined "Lilac Time" with "Arbor Day" and planted lilac shrubs at the Atkinson Academy. Mrs. Ernest J. Lampron, President, greeted the children. Mrs. James Carr, Civic Beautification Chairman, was in charge of the planting.

In June, we decorated the Timberlane Regional High School stage for Class Day and graduation. We had window boxes across the front of the stage filled with oasis and made one long flower garden. Mrs. Ernest J. Lampron was Chairman, assisted by: Mrs. Vernon Illsley, Mrs. David Hancock and Mrs. Peter Perri.

Special "Thank You" to Anne Marie Flower Shop and Leith's Florist.

Flowers were from the gardens of friends of the senior class.

Civic Beautification Committee member Mrs. Donald Murphy was in charge of our Christmas Program. Mr. Bergeron Norris and the Explorers decorated the living Christmas tree at the Kimball Public Library. Mr. James Comwell was Santa Claus and gave lollipops to the children. Mr. Neil Sawyer gave rides to children and Santa in his pony cart. Christmas Carols were sung by the Chancel Choir of the Congregational Church of Atkinson.

The Atkinson Garden Club would like to thank the town of Atkinson for helping us to maintain our projects.

## THE GRANGE HALL

The National Grange, a fraternal order, developed shortly after the Civil War. Local Grange organizations spread throughout approximately forty states of the nation. Their purpose was to provide farm education and help promote legislation to benefit the farmers. The local Granges served as meeting and recreation areas for the rural communities.

Atkinson Grange members met at the Academy until their own meeting place was built in 1912. For fifty-seven years, Atkinson Grange Hall has been the center of many Town activities.

Mrs. George White was most helpful in providing information about the origin of the Grange Hall.

"On February 13, 1912, five ladies, Mrs. S. A. Goodrich, Mrs. Alice G. Whipple, Mrs. N. Grace Sawyer, Mrs. Ida Noyes and Mrs. Mary Pressey were appointed by the Master to see how much money the committee could get pledged toward a hall. Entertainments, cake sales and a Drama at Hampstead Town Hall brought in \$33.50. Mrs. Goodrich reported the total in the Hall Fund was \$87.36. Two member visitors gave \$5.00 each.

August 13, 1912, The Grange voted to have the Finance Committee confer with banks in regard to hiring the money to build the hall. Brother C. H. Poor offered the Grange a piece of land adjoining the Academy grounds to set the hall on.

September 10, 1912, Under suggestions for the good of the order Brother Goodwin suggested a building bee for the new hall, each one to give a day's work - a number responded.

Plans were drawn by Lyman Whipple, a retired architect. The hall was built by Leighton Whittaker (father of Alvin Whittaker who lives on Main St.) and painted for the first time in 1913 by Howard Richards and Abner Akley."

Grange members have conducted their meetings and activities and shared the halls for a variety of Town happenings - Town Meetings, pretty heated at times, showing the considerable interest residents have always had in Town affairs, elections with lunches and dinners prepared and served by the Grange ladies, dances of the Firemen's Auxiliary and Police, Christmas plays presented by the school children, yoga, square and ball-room dancing lessons. In more recent years, Boy Scouts, Girl Scouts, Four H, Junioresettes and Brownies have met weekly at the hall.

There is no doubt that the Patrons and Friends who worked so hard, raising money and giving of their time to secure the Hall, would feel it was all worth while. Some of the workers are still with us, but many have passed on. May the Townspeople enjoy the Hall as much as the Grange members have through the years.
